FAQ UPDATE

What's it for?

The evening marks the end of our celebrations of the Maori New Year. In early Aotearoa, food stores would have been full of food preserved from the harvest and plentiful fishing at this time of year. We have a hakari (feast) to enjoy and share the fruits of our labour. It's also a chance to acknowledge and celebrate all the hard work that has been going on throughout Te Puna and all the cultures that make up who we are.

What does pot luck mean?

Bring a dish from your culture - enough for you and 6 other people (7 in total). I encourage you to team up with someone else and bring a dish for 14 .. Or 3 of you bring for 21....

What about drinks?

BYO drinks—alcoholic or non alcoholic.

What to wear?

It's a celebration and a fun night so dress for it! There will be a prize for the best dressed in a matariki theme.

What's a Matariki theme?

Think about stars, gardening or food, traditional Maori crafts, or kites.

How will the trivia competition work?

4 TPH staff per team. Family can join in as extra team members if they so desire. If you want to win the quiz, study your induction manual....

ANY other QUESTIONS, ask me... I'm looking forward to finding out what you like to eat!
